**Expression of Interest
form for Prevent projects
2019-2020**

About this form

This form should be used to submit an expression of interest for funding from the Leicester Prevent programme fund. You must submit your expression of interest using this form.

Leicester Prevent is inviting applications from groups and organisations that can support the Prevent Strategy through the development and delivery of projects in 2019-2020. We are aiming to find innovative ways to prevent people from becoming radicalised to support or carry out acts of terrorism.

Potential projects must focus explicitly on one or more of the following objectives in line with the revised Prevent Strategy:

- reducing the risk of radicalisation within a particular sector (e.g. health) or demographic (e.g. young people)
- working with vulnerable individuals or groups through outreach projects
- addressing terrorist use of the internet through online radicalisation
- delivering new and innovative ways of working to deliver Prevent objectives
- working to reduce the risk of radicalisation in Leicester

Support and evaluation for the projects will be led by the Prevent Coordinator. Projects are expected to commence in April 2019 and be completed by the end of the 2019/20 financial year (31st March 2020). There is no set budget for each project although applications will be evaluated for value for money. As a guideline, typical projects may range in cost from £15,000 to £30,000.

Successful projects will be expected to make it clear how they are supporting the aims and objectives of the Prevent strategy.

The deadline for applications will be 15th January 2019.
